

Technical drawing of a mechanical part, likely a bracket or support. The drawing shows a top view with dimensions: 12.70 (width), 5.60 (height), and 4.0 (height of the base). The part features a central rectangular section with a rounded end, a central slot, and a base with three vertical supports.

A diagram showing three circles arranged horizontally. A dashed red line passes through the centers of all three circles. Below the circles, two horizontal dimension lines with arrows at both ends indicate the distance between the centers. The first dimension line, between the first and second circles, is labeled "5.08". The second dimension line, between the second and third circles, is also labeled "5.08".
